FISCAL MEMORANDUM

SB 1469 – HB 1735

April 14, 2016

SUMMARY OF ORIGINAL BILL: Designates the Governor’s Table Restaurant at Henry Horton State Park as a “premier type tourist resort” for purposes of on-premises alcohol consumption.

FISCAL IMPACT OF ORIGINAL BILL:

NOT SIGNIFICANT

SUMMARY OF AMENDMENT (016122): Adds language to the original bill that updates Tenn. Code Ann. § 57-4-102(26)(D) which designates Laurel Valley Golf Course in Blount County as a “premier type tourist resort” for purposes of on-premises alcohol consumption.

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions for the Governor’s Table Restaurant:

- Public Chapter 428 of 2015 added “an entity that is authorized by the Department of Environment and Conservation to operate a restaurant or other food and beverage service on the premises of a state park” to the list of premier type tourist resorts for purposes of on-premises alcohol consumption; therefore such venue is currently authorized to be licensed as a premier type tourist resort.
- The Department of Environment and Conservation confirms the fiscal impact relative to the Governor’s Table Restaurant will be not significant.

Assumption for Laurel Valley Golf Course:

- Laurel Valley Golf Course is designated as a premier type tourist resort under Tenn. Code Ann. § 57-4-102(26)(D). As a result, the provisions added to the bill by amendment 016122 will continue to allow on-premises consumption of alcohol at the
